MAY NUMBER.

May number of "Fashion" has for its opening article an up-to-date account of the White Ribbon Movement by Frances E. Willard, accompanied by a fine portrait of the author. Ida M. Tarbell contributes a valuable review of "The Longest Reign in English History," showing the change in the ideas of the treatment, the education, the occupations, and the range of influence of women during that period. "Two Sides of the Woman Suffrage Question" are presented by Susan B. Anthony and Mrs. Francis M. Scott. Candace Wheeler, whose name is synonymous with artistic decoration, treats of modern methods of beautifying a feast, and practical helps on "The Use of the Voice in Speaking" are given by a successful teacher of voice culture.

Ella M. Pettie contributes a fascinating short story entitled "In Gold Brocade."

The usual space is devoted to household articles, etiquette, hints on entertaining, and dishes suitable for the season, while the home dressmaking department will be found of value to the professional as well as the amateur.

The fashion plates are numerous and beautiful. Models from Paquin, Mme. Carlier, and other French houses are shown, with charming costumes from Redfern and other metropolitan designers.

The full-page art picture, so highly prized for framing, is this month a reproduction of Sichel's beautiful "Montenearia."

WITHOUT A TREMOR

A Colored Convict Went to His Death.

Execution of Henry Jones at the Prison in Michigan City for the Murder of a Fellow Prisoner.

MICHIGAN CITY, Ind., May 7.—Henry Jones, colored, a convict in the Indiana state prison, was hanged in the prison shortly after midnight for the murder of a fellow convict named Thomas, who testified against him in the trial which resulted in his last sentence to prison. Jones showed no signs of fear at his fate and went to the scaffold without a tremor. The execution was private, as required by law.

[The history of the crime for which Jones suffered death was given in the telegraph columns of THE SENTINEL yesterday.]

KILLED BY TRAMPS.

Farmer Harris and Wife Murdered in Their Home.

The Brutes Who Performed the Horrible Deed Had Been the Guests Over Night of Their Victims.

MILWAUKEE, Wis., May 7.—A farmer named Harris, living five miles south of Waukesha on the Mukwanago road, with his wife, were murdered by tramps this morning. A hired man and girl succeeded in escaping, though both were injured. The tramps had been lodged for the night. The sheriff of Waukesha county has gone to the scene.

THE NOTESTINE CASE

Jury Returns Answers to Eighty-Nine Interrogatories.

The Attorneys for Both Sides Claim a Victory—News in the Courts of the City.

The superior court jury which has been engaged for the last two weeks in the trial of the case of Peter and Mary Notestine against Samuel R. Alden, to set aside a contract and sheriff's deed for property, returned answers this morning to the eighty-nine interrogatories which had been submitted to them by the attorneys in the case. The attorneys on both sides claim that the answers are favorable to their clients. Upon these answers the court, Judge Heller, of Bluffton, will render a verdict based upon what he considers the law and evidence in the case. The plaintiffs were represented by Judge Robert Lowry and the defendant by Sam L. Morris.

TRAIN WRECKERS.

Attempt to Wreck a Train in Wyoming.

CHEYENNE, Wyo., May 7.—An attempt was made to wreck the incoming Cheyenne and Northern passenger train by misplacing a switch in the yards at the northern entrance to the city. Owing to the fact that the train was running slowly no damage was done beyond derailing the locomotive. The authorities, upon investigation, discovered that the parties who attempted to cause the wreck are several Union Pacific brakemen, one of whom has made a full confession. The switch was turned with the expectation that Cheyenne and Northern employes would be blamed for it and discharged and extra Union Pacific men would be given work in their places.

STILL FIGHTING.

Greeks Do Not Know When They Are Beaten.

Still Hopeful of Final Victory When All Europe is Against Them—The Situation.

ATHENS, May 7.—There is great depression in Athens because of the news of the retreat of the Greek army to Domokos, notwithstanding the recent victory. Many wild rumors are afloat. M. Skouloudis, minister of foreign affairs, in an interview, insisted that the ministers were not discouraged, as the Greek troops had held their own at all points against odds of nearly three to one. He said that the order for retreat was given after a council of war held here to prevent the Turks from being able to take the Greek in flank which their numerical superiority made possible. The commanders have no doubt of being able to hold their present positions indefinitely. The wounded men, arms and ammunition were transported back in perfect order.

Being asked if the removal of Colonel Vassos from Crete was a preliminary to a withdrawal of Greek troops, he replied: "It has nothing to do with it. It was considered that his presence was required on the frontier. The withdrawal of troops from Crete is not under consideration by the council."

The correspondent finally asked: "May the policy of your government be described as one of war or peace?"

He replied: "As we are at war, ours must naturally be a war policy, but the object of war is peace."

WASHINGTON, May 7.—The Turkish legation has received a dispatch from Constantinople supplementing that of last night announcing the occupation of Pharsalos. It says: "Today at dawn (Thursday) the imperial troops having attacked the enemy, located at Pharsalos, who had in part commenced to fly during the night, whipped them and took possession of the town. The cavalry division pursued the enemy on the road of Domoko and Kharti Pasha's division has been ordered to proceed in that direction. The Hellenes left at Pharsalos ammunition of war and provisions."

HEADQUARTERS OF THE TURKISH ARMY IN THESSALY, PHARSALOS, May 3.—Night.—The Greeks, in retiring across the plains toward the town, suffered terrible loss from the murderous fire of the Turkish artillery. During the retreat the Greeks were compelled to cross the river by a single bridge. As the Greek troops were massed at that point the Turkish artillery wrought frightful havoc among them. Nevertheless, the Greeks fought desperately until nightfall.

CONSTANTINOPLE, May 7.—The proposed mediation of the powers between Turkey and Greece is viewed with favor by the Turkish government. The authorities of Erzeroum have been ordered to hold eleven regiments of the famous Hamidieh cavalry in readiness in case they are wanted for services in Thessaly.

REZIN ORR

Elected Treasurer of the Street Railway Association.

The Former President of the Local Branch of the Union is Honored by His Brothers.

THE SENTINEL is in receipt of a dispatch from Dayton, Ohio, which says that Rezin Orr, a former citizen of this city, has been elected treasurer of the Amalgamated Association of Street Railway Employes, now in session in that city. Mr. Orr was at one time president of the local union of street railway employes, and was for many years in the employ of the street railway company. He took an active part in the strike a few years ago. He has held the office of secretary in the association that has just elected him its treasurer.

The other officers elected this morning were:

President—W. D. Mahone, Detroit, Mich.

Vice Presidents—J. H. Carr, Toledo, Ohio; John Delaney, Syracuse, N. Y.; J. M. Spurgeon, Tex.

Executive Board—Daniel Ditworth, Detroit, Mich.; H. V. Ryan, Toledo, Ohio; Harry Howorth, Muncie, Ind.

The next convention will be held at Syracuse, N. Y.

LOCAL LINES.

Ex-Sheriff E. F. Clausmeier is seriously ill.

Mrs. W. L. Carnahan and daughter have returned from the east.

Mr. and Mrs. Hunk have moved from East Jefferson street to Buchanan street.

There will be a rehearsal of the oratorio, "Happy City," this evening, in Plymouth church, with Prof. Miles as director.

Will G. Miller and family, who have been residing in Detroit for the past two years, have moved here to reside permanently.

Mrs. Frank Stone, of Liberty street, will entertain this evening in honor of some friends from Decatur, who are visiting in this city.

The Junior Christian Endeavor of the First Baptist church will give an entertainment and social tonight. Ice cream and cake will be served.

The Misses Myrtle Long and Edith Allers left at noon today for Decatur to attend the commencement exercises of the high school at that place.

The A. F. F. club was entertained in a delightful manner by Mrs. George Baylor, of Lincoln avenue, last Wednesday. There was an interesting guessing contest.

The Ladies' Aid society of Trinity Methodist church gave an enjoyable "social tea" last evening, at the beautiful home of Mr. and Mrs. Dell Edmunds, 39 East Fourth street. About 100 persons enjoyed the event.

James Hamilton, a student at Grindle & Weatherhogg's office, has gone to Ann Arbor university to attend a banquet and ball this evening. He is the guest there of Joseph Bursley, a student at the university.

House cleaning at engine house No. 2 is now in progress. The sleeping apartments and stables have been attended to and the walls, ceilings and windows of the main building, down stairs, are now receiving a thorough cleansing.

Supt. P. S. O'Rourke and his family left today for Mobile, Ala., where the superintendent will attend a convention of the Catholic Knights of America. They will go via Nashville, stopping there two or three days to attend the exposition.

Dr. W. F. Schrader gave the pupils of Miss Armstrong's grade in the Clay school a splendid talk yesterday afternoon. The feature of well known professional and business men addressing the pupils has proven to be a popular and instructive one.

Fred Stollhorn is back in his old place at the Miller drug store, on Lafayette and Wallace streets. He resigned last summer to take a course in Purdue university and since leaving the college has been more or less afflicted with rheumatism, being bedfast for eight weeks. He is still lame, but is improving rapidly.

Charles S. Bash delivered an address before the members of the Tippecanoe club last evening. In the absence of Dr. Worch, who was ill, Peter F. Poirson occupied the chair. After Mr. Bash had finished his remarks, Colonel Oakley responded to a call and gave a short talk. Short addresses were also made by Frank Alderman, A. R. Walter and W. E. Doud.

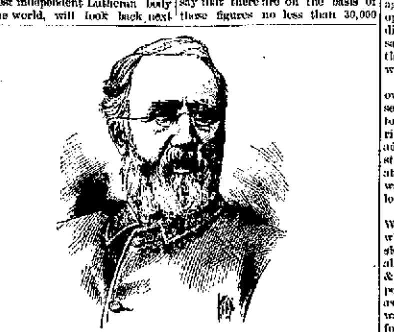

Will G. Miller was pleasantly surprised last Wednesday evening by a number of his friends at the residence of his father, W. Miller, 563 South Calhoun street. He and his family have been residing in Detroit, Mich., for the past two years. His family came here unexpectedly, which had much to do with the evening's pleasures. Many laughable games were played and a four course luncheon was served at an early hour. Everybody enjoyed themselves to the utmost.

GOLDEN JUBILEE

Will be Celebrated Next Sunday by German Lutherans

Of the Churches of This and Other Cities in the Missouri Synod—The Services for the Day Outlined.

The readers of THE SENTINEL will remember the great gathering of the Lutherans held in this city last year, when over 500 delegates from the different states in the nation constituting the German Lutheran Synod of Missouri, met here about this time in the year for the purpose of holding sessions for several days for the transaction of business of importance to their denomination. This synod, which is the largest independent Lutheran body in the world, will look back next

REV. H. C. SCHWAN.
(President of the Missouri Synod.)

Sunday on fifty years of its existence and this event—its golden jubilee—will be properly celebrated at that time by the Lutherans in this and other cities in different parts of the synod.

Preparatory services were held last Sunday in each of our four churches and addresses and lectures were delivered on the history of the synod, its growth, development and its future, and Professor Zucker, of Concordia college, assisted.

Next Sunday morning special jubilee services will be held in these churches. Appropriate services will be preached and special music rendered by the choirs of the several churches.

An English service has been arranged for the public generally. Prof. A. Crull, of Concordia, a brilliant, scholarly orator, will deliver the sermon at Paul's church, on Barr street, Sunday afternoon at 2:30 p. m.

A union service of these four churches will be held again at the St. Paul's church. Rev. Ph. Wambsganss, one of the most interesting speakers in the city, will deliver the sermon in German, and a special jubilee offering will be taken at all the services for the German home mission.

The English Lutheran Church of the Redeemer, of which Rev. C. F. W. Meyer is pastor, will join in the afternoon service and will dispense with its usual evening service on account of the jubilee celebration.

There are four churches in this city belonging to the Missouri synod. The first and oldest is St. Paul's German Lutheran church on Barr street. Its second pastor, the Rev. F. Wyneken, was one of the pioneers of German Lutheranism in the west. October 14th, 1837, the first German Lutheran church was organized. Its pastor was Rev. Huber. He supplied the German Lutheran churches in Adams county. In 1838 Rev. Wyneken was called after Rev. Huber's death and became one of the founders of the so-called "Missouri Synod." He was called to Baltimore in 1845.

Meanwhile other German Lutherans in Missouri became acquainted with and sent out a paper called "Der Lutheraner," to their brethren here and in Michigan. Thus a connection was established and soon an organization followed. The first conference looking toward a closer union was held in Cleveland in September of 1845. Rev. Dr. Sihler was there. The year 1846 saw a number of leaders in St. Louis where a preliminary draft for a constitution was discussed. A second conference was held in Fort Wayne and on May 20th, 1846 this was ratified and signed and a call issued for final adoption and full organization. This meeting was held in Chicago. Congregations having had ample time to discuss the draft, had sent delegates to the meeting which opened on the third Sunday after Easter, April 25, 1847, and lasted up to May 6. On April 26 the temporary organization took place by the election of permanent officers. The Rev. Prof. C. F. W. Walther, of St. Louis, Mo., was elected president. Twelve congregations with their pastors, ten advisory pastors and two candidates for the ministry were present and formed the synod, and within a few months several more came in and the following were the statistics for 1847:

Fifty years ago 10 pastors with 30 congregations composed the synod, 7 preaching places were served by the pastors beside their regular charges. The synod numbered 4,165 souls, 937 voting members; 14 schools with 741 pupils; in the first year of the synod's existence 560 baptisms occurred, 208 were confirmed, 93 couples married, 96 persons buried, and 8,598 partook of the Lord's Supper. At present the pastors and professors number 1,527; churches, 1,910, and 805 preaching stations. Souls, 682,048; communicants, 380,006; voting members, males over 21, 93,910; parish schools, 1,527, with 87,808 pupils. There are 756 teachers and 830 pastors teaching these schools. In the past year 36,233 persons were baptized, 18,167 were confirmed, 672,752 partook of the Lord's Supper, 8,016 couples married, 11,456 persons buried. We find that there are 267 Sunday schools reported in the last Year Book. Of these not all have reported the number of scholars, 74 giving no figures, but 193 report 21,179 scholars, with 601 negroes added, a total of 21,780. It is safe to say that there are on the basis of these figures no less than 30,000 children in the Sunday schools, outside of the number of children who attend the "Christenlehre."

As before stated St. Paul's is the mother church. Rev. J. Miller and Rev. August Lange are the present pastors. A daughter church was established in the west end, Emanuel German Lutheran church on West Jefferson street, Rev. W. Stubnatzi was the first pastor; the present pastors are Rev. C. Gross and Rev. P. Wambsganss. Another church was established on the south side, Hanna and Creighton avenue, Rev. H. Juengel, pastor. The youngest German daughter church is that of Rev. J. Bohn in Bloomingdale. All of these churches are in a growing and prosperous condition. St. Paul's will soon divide again by erecting a church and school in the east end, near Concordia college, installing the Rev. Lange there. Emanuel already bought lots and erected a fine parsonage on South Broadway and Creighton avenue for another church for the people of South Wayne. These churches have 8,000 souls, 4,013 communicants, 1,036 voting members, and 1,461 children in their schools.

The English Lutheran Church of the Redeemer, of which Rev. Meyer is pastor, is also, in a sense, a daughter church, it having been established to meet the wants of the young people of the German churches who are losing the command of the German language. Its outlook is good and it has prospered well. It is now about four years old and is self-supporting. It is a sign that these conservative German churches are alive to their own interests, and rather than have their children drift away into other churches, they established their own English churches, with the motto: "Our fathers' faith, our childrens' language."

A daughter synod also sprang from this German synod. An English synod was organized in St. Louis in 1888. It held its last convention here two years ago in the Church of the Redeemer. Rev. Meyer is the secretary of the synod. It will hold its next convention at Baltimore this summer. This young and vigorous synod will soon recover lost ground and hold its own, following faithfully in the footsteps of the grand old German synod of Missouri.

Rev. H. C. Schwan, D. D., is the president of the German Missouri synod. He presided at the sessions of the synod held in this city last May. He resides in Cleveland, but spends most of his time in traveling about from Boston to San Francisco, visiting the thirteen district synods of which the general synod is composed, and its educational and charitable institutions throughout the United States. THE SENTINEL gives in this connection a picture of the honored and well beloved president of the synod.

STEPPED LIVELY.

Centipede Causes a Stampede in the Commission House of Purcell, Witte & Co.

While a workman was handling a bunch of bananas in the commission house of Purcell, Witte & Co., this morning a centipede about eight inches long dropped to the floor and caused consternation for several minutes. Justice Harry Franco happened to be in the store and as the venomous insect made a dash for his pant leg, the worthy 'squire performed the difficult feat of climbing on top of the office safe. The centipede had safely made the journey here from a tropical clime where bananas grow. Handlers of this fruit are in danger of receiving bites from tarantulas, centipedes and even snakes which are frequently found secreted within the recesses of the stems.

Miss Zern Jefferson will entertain friends this evening.

BOARD MET,

But There Was Only a Small Amount of Business.

Lakeside Committee Gets Information on the New Sewer—Streets to be Graded and Sidewalks to be Built.

At a meeting of the board of works last evening a committee of Lakeside citizens, consisting of Messrs. C. A. Wilding, C. E. Read, C. J. Weller, L. J. Bolilya and W. D. Henderson, asked the city engineer for instructions regarding the best methods of sewer construction. The committee was appointed at a meeting of Lakeside property owners, held Wednesday night, and the interested persons agreed to abide by Mr. Randall's opinion. Mr. Randall explained the different systems of sewerage to the satisfaction of the committee, and the sewer project will scarcely meet with any more opposition.

Henry Woehrs and several other owners of property in Nebraska presented a petition asking permission to drive piling in the St. Mary's river banks, from lot 107, Rockhill's addition, east and south to Elm street. The river makes a big bend at this place and the current has washed away part of the abutting lots. The petition was filed.

The boards approved the bonds of W. C. Heinn and H. A. Gerberding, who have received permission to lay sidewalks by private contract, and also ratified the bond of J. C. Jahn & Co., licensed sewer builders. The petition of George Wilhelm, who asked to be allowed to relay a sidewalk in Archer's addition, was filed for future consideration, as the board had already instructed the engineer to prepare plans for this same improvement. The clerk was instructed to order an East Washington street property owner to cease the work of constructing a new sidewalk until the engineer had established the grade and given orders regarding the work.

The engineer was instructed to prepare plans and specifications for grading Pape avenue from the Van Buren street bridge to St. Mary's avenue, the full length of the street. Instructions were also given for plans and specifications for sidewalks on both sides of Wells street, at the site of the old bridge over the feeder canal. This place has been provided with plank walks since the canal was filled up.

DANGER IN IT.

Authorities Say That Fast Driving Must Stop.

An Order Given to the Police Today—Complaints Made by Residents of Wayne and Washington Streets.

Superintendent Gorsline today instructed the police to stop fast driving on any of the city streets, and to give East Wayne street and Washington boulevard their especial attention. Complaints have been filed with the mayor within the past few days that the latter named thoroughfares are overrun with fast horsemen, who speed their horses without regard to the safety of pedestrians. The afternoons and evenings are selected by the racing element as their best times for the dangerous sport. The mayor says he has issued a similar order before and the superintendent of police is instructed to be very strict in the future.

MISSIONARY UNION

Held Its Third Annual Meeting in This City.

The third annual meeting of the Missionary union held in the Wayne street M. E. church yesterday was an interesting and profitable meeting, to the large number of ladies from the different churches in the city attending. Mrs. H. W. Bennett, the president of the union, presided.

The opening exercises were conducted by Mrs. A. K. Zartman; a duet was sung by Mrs. Frank Rihlett and Mrs. Tom Creighton, then the subject of the afternoon, "The Relation of the Church to the Sociological Problems of the Day," was taken up and discussed by Miss Carrie B. Sharp, Miss Philley, Mrs. P. J. Rice, Mrs. D. F. Bowser, Mrs. D. W. Moffat, Mrs. Nathan Smith, Mrs. A. K. Zartman, and Mrs. A. D. Guild.

Mrs. Bennett gave a brief account of a talk she had heard Graham Taylor made in Chicago, and advised a visit when possible to the social settlements of that city. Mrs. Blidett then sang Mendelssohn's "O, Rest in the Lord," Mrs. Stouder accompanying her on the organ.

Reports of the Secretary and treasurer were then read. In the unavoidable absence of Mrs. Wells, the discussion became general regarding the outlook of this work, and was participated in by the Rev. D. W. Moffat, the Rev. J. S. Ainslie and others.

In the evening a large audience gathered to hear Miss Jane Addams, of Chicago, talk on "The Social Obligation of Christian Citizenship." The Rev. Dr. Bennett conducted the devotional exercises and solos were sung during the evening by Messrs. Louis Curdes and D. S. Griffith. Mrs. Frank Stouder presided at the organ. Mrs. Bennett introduced Miss Adams, whose address was able, interesting and instructive.

HIT HIM HARD.

George Davitt, an Arabian Merchant, Pays Two Fines.

One Charge Drunkenness, the Other Cruelty to Animals—Dirty Jack's Case—Clarence Anderson Fined.

George Davitt, an Arabian, who keeps a fruit store on Lafayette street, was fined at police court this morning for drunkenness. After he had paid his fine Humane Officer Schlandroff stepped up and filed another affidavit for cruelty to animals. The prisoner was much mystified by this wholesale dose of justice, but paid his fine rather than go to jail.

Davitt appears to be a harmless sort of an Arab. There is nothing wicked in his looks and when sober wouldn't hurt anything or anybody. But his downfall last evening was due to liquor. He, with others of the several colonies of his clan, are celebrating some sort of a religious feast, not so profound, perhaps, as the religious feasts of some other sects, but none the less interesting. One the prerequisites of the ceremonies seems to be the frequent indulgence in intoxicating beverages. This feature lost enchantment to life for Davitt last evening, and he started out to drive his horse to the Columbia street colony of Arabs to exchange compliments. Faster and faster he went, and might have been going yet if his horse had not collapsed. Sergeant Dasoler took Davitt in and the fines resulted as stated.

JACK CASE AGAIN.

Jack Case was up before the mayor again this morning, charged with indecent exposure. He was arrested by Officer Woelinker. This being the third time he has been up for the same offense he was fined $20 and costs.

Five train jumpers, arrested by Officers Fuchshuber and Walling, of the Pennsylvania company, were let go.

Clarence Anderson was fined $5 and costs for assaulting Calvin Bennett, of the Randall. He went to jail.

Officer Spillner picked up a bicycle in front of the Kimball piano store this morning and took it to the police station.

A. Dalman, son of W. E. Dalman, of Nine Mile, this county, while handling a revolver accidentally shot himself through the thumb, and Dr. Sledd was summoned to dress his injury.

It appears that every county in the Fourth district will have a candidate for the honor of the nomination to the late Mr. Holman's place in congress.

The defeat of the arbitration treaty by the senate was not exactly a surprise, but it is, nevertheless, a matter of regret. The United States has been looked upon as a nation of peace and the world will be amazed at the spectacle of this people refusing to consent to the proposed arrangement for the amicable settlement of grave international differences.

The Decatur Journal cites the following instance as proof of the power of newspaper advertising: "A man must be pretty well covered with moss not to be a regular advertiser. A family down in Florida lost their child, and failing to find it after two days, put a twenty-four cent notice in the paper and the next morning they were surprised to see an alligator on the steps, where he had disgorged the child alive and then died himself."

The last few days have made a wonderful change in the beauty of the fields and woods. The grass has taken on the dark green, instead of the dull brown of a week ago. The wheat fields have grown richer and more beautiful. The maples glow with a dark red tinge, the willows show the delicate light green foliage so much admired, because the first to appear, while the sight of the plowman turning up the furrow of rich dark earth gives us the assurance that spring, in all its beauty, is really here.

The twenty thousand silver republicans of Indiana have joined the movement inaugurated at Washington by Senator Teller and others to organize that element throughout the country. The national conference will be held at Chicago June 8th, when a permanent organization will be made and a statement of principles adopted. They are preparing to take part in the coming contest for the free coinage of silver without waiting for the consent of other nations.

The house of representatives has sustained Speaker Reed's policy of inaction. The body will, therefore, continue to meet and adjourn every other day, pending the disposition of the tariff bill by the senate. The attention of the country is to be "concentrated" on the senate, in the hope that that body may be forced to speedy action on the Dingley bill. Meantime the house will do nothing to "restore confidence" in the monetary system, of which even the gold organs are complaining.

There is a popular idea that June is the favorite month for weddings and that the young woman who loves romance and wishes fortune to smile upon her nuptials in every way must choose this of all months. Cold and unromantic fact, however, shows that the three most popular marriage months are October, November and December. Fifty years' observation shows this to be true, and also demonstrates the fact that the most unpopular months for marriage are January, February and March.

It is said that at a conference of influential Ohio democrats, held in New York, an agreement was entered into whereby ex-Congressman Paul Sorg, the millionaire tobacconist, is to be the democratic nominee for governor, and that John R. McLean, proprietor of the Cincinnati Enquirer, is to have the field for the United States senatorship against Mark Hanna. Calvin S. Brice, it is reiterated, will not be a candidate for the senate. If matters shape up properly, Brice is to be held in reserve for the presidency in 1900. At present he is in poor health.

The new tariff bill as reported by the senate is vastly more oppressive upon the masses than was the McKinley bill of 1890, that was beaten by more than a million majority soon after its passage and overthrown by nearly as large a majority two years later. The republican leaders seem to have learned nothing and forgotten nothing; and instead of giving the country tranquility by a fair, conservative protection policy, they have outstripped all the tariffs of the past in absolute surrender to monopoly interests. There can be no peace or safety in business circles under legislation that so distinctly and inexcusably oppresses the many for the benefit of the few.

Hopeless Cause of Greece.

The excuse given by Under Secretary Curzon for the delay of the powers in mediating between Greece and Turkey, that they are waiting for evidence that the belligerents are willing to accept such mediation, is not altogether candid. The real reason is that the powers are still as far from any agreement among themselves as they were in the beginning. Until they can come to such an agreement nothing can be done. Turkey has no reason to ask for any intervention. If any request is made it must come from Greece, but such a request on the part of Greece would be a humiliating admission of defeat and a surrender of every claim on which its aggressive action was based.

But the cause of Greece is hopeless, and it can gain nothing by any continuance of hostilities. Its meagre resources cannot but be further exhausted by the cost of the war, and its impoverished inhabitants can only look forward to a future of deeper poverty and to a longer struggle in their hard road to ordinary prosperity. Common humanity demands that an end should be put to the war and an equitable peace secured.

Reformatory Appropriation Law.

The board of managers of the Indiana reformatory at Jeffersonville will bring mandamus proceedings against the auditor of state, in order that the courts may construe the law concerning the appropriations for the institution.

This decision, says the Indianapolis News, was reached by the board after it had held a conference with the governor and the attorney general. The law under which the reformatory is established confers upon the board of managers authority to pay the salaries of the officers and employes of the institution out of its earnings. Under the general appropriation act $88,500 is appropriated annually for the maintenance of the institution.

The attorney general holds, in an opinion written for the state auditor, that this maintenance appropriation of $88,500 is not available until the beginning of the fiscal year —November 1, 1897—and that until that date the old appropriation of $85,000 a year is alive. The attorney general also holds that the institution cannot use its receipts in paying salaries until November 1. General Superintendent Hert tendered to the auditor the receipts of the institution for the month of April, with the salaries of the officers and employes, amounting to about $2,500, deducted.

The auditor, acting upon the advice of the attorney general, refused to settle on that basis, and it was immediately decided by the board to institute suit. The attorney general will defend the auditor and Senator Ellison, of Fort Wayne, who is a member of the board of managers, will, it is understood, appear for the reformatory. The suit is a friendly one. It was agreed by all concerned that it ought to be brought in order that the board may be informed as to how it ought to proceed. Under the position taken by the board of managers the institution would be entitled to an appropriation until November 1 at the rate of $85,000 a year and would be able to pay salaries out of the receipts.

The salaries, as indicated by the first month's settlement sheet, will amount to nearly $30,000 a year, so that if the board is sustained it will have about $61,000 at its command for the period beginning April 1 and ending October 31. The first financial report of the institution shows that salaries are a little higher than they were in the old state prison. The salary of the deputy warden has been increased from $1,200 to $1,500, and W. S. Carpenter, of Brazil, has been made the parole agent of the board at a salary of $75 a month.

EPWORTH LEAGUE.

Big State Convention Held at Lafayette Next Week.

All the Leagues From This City Will Send Delegates—The Program Perfected and Announced.

The Epworth Leaguers of this city are looking forward to the state convention of these religious societies which is to be held at Lafayette next month beginning on the 24th and lasting until the 28th and the five leagues here in the Simpson, Trinity, St. Paul, Berry Street and Wayne Street Methodist Episcopal churches are now selecting delegates to represent them at this gathering, which promises this year to be largely attended.

The morning sessions of the convention will be held at the Trinity church in that city and the afternoon and evening sessions at the St. Paul church. Plans are in progress that will make this the most successful convention ever held by the Epworth leagues of the state. The program committee met Wednesday and prepared the following as the leading events for convention week:

Thursday, June 24—Afternoon—2:30, convention opens with sacred concert, led by Prof. Shook, of Terre Haute; 4 to 5 o'clock, opening business session and assignment to homes.

Thursday evening—7:30, song service; 7:45, welcome address by Rev. H. L. Davis; response by President F. M. Barbour, of Evansville; 8 o'clock, address by Dr. J. W. Turner, of Evansville.

Friday—8 a. m., departmental conferences; 9 a. m., addresses by J. P. Gavitt, of Chicago, and W. H. Wise, of Lafayette, on "Social Settlements;" 10:30 a. m., address by Dr. Gobin, of DePauw, on "Plea for Our Methodist Colleges;" 11 a. m., Dr. Lasby, of Indianapolis, leads a symposium on "Amusements for Our Young People;" 2 p. m., "Value of Literary Study of the Bible," Prof. William E. Smyser, of DePauw; "How to Study the Bible," Dr. D. W. Hayes, of Northwestern university; 3:30 p. m., excursion to battle ground, with vesper services on the battlefield; 8 p. m., lecture by J. P. Gavitt, of Chicago, on "Problems of City Life;" 9 p. m., grand reception to citizens and delegates.

Saturday—9 a. m., "Mercy and Help," discussion; 10 a. m., "The Epworth Guards;" 11 a. m., "Bible Study and Its Rewards," by Rev. D. H. Hayes; drill by the boys' brigade of St. Paul's M. E. church; 2 p. m., the Junior league; 2:30 p. m., address, Dr. E. A. Schell, of Chicago; 3:30 p. m., business; report upon committee for locating an Epworth league annual assembly; 8 p. m., popular lecture by Dr. Steele, on "Pioneers of Methodism."

Sunday—6 a. m., sunrise prayer meetings; 10:30 a. m., Dr. Louis A. Banks, of Cleveland, preaches at St. Paul's; Dr. Steele preaches at Trinity; visiting ministers in other pulpits; 3 p. m., Dr. Schell holds a mass meeting at St. Paul's; 5 p. m., vesper services at Columbian park; 8 p. m., Dr. Banks at Trinity, Dr. Steele at St. Paul's; 9 p. m., closing union consecration service at St. Paul's, led by Dr. Schell.

The young people of the Lafayette Methodist churches, The Sentinel can assure the Epworth Leaguers, know the art of hospitality to perfection, are royal entertainers, and will do all in their power to make the state convention held in their city pleasant and profitable to all who attend it.

HAS TROUBLE WITH DOGS.

Mayor of Valparaiso Has a Hard Time to Enforce a Local Ordinance.

Valparaiso, Ind., May 7.—Two weeks ago the city council passed a dog ordinance requiring all dogs to be tagged, which was loosely observed by all citizens. The ordinance took effect Monday, and, not being obeyed, the mayor offered a reward of twenty-five cents for each dog captured, and the result was that the city jail was soon filled from garret to basement by the aid of boys.

Yesterday the dogs, not being reclaimed by their owners, were ordered shot by the mayor, but no officer would do it. The mayor fed them poisoned meat, but that was of no avail, and after trying to smother them with sulphur he tried to hire men to shoot them, but was unsuccessful. Amid a crowd of 500 spectators he filled a wagon and went into the country, where he dispatched many with a shotgun, though many escaped.

To-day the ordinance is nearly a dead letter, as for the first time the jail was empty, no one attempting to catch the dogs. So far only 100 persons have taken out a dog license.

Judd Indicted.

Saginaw, Mich., May 7.—The people of this city have been somewhat startled by the return of seven indictments against Clarence L. Judd by the federal grand jury at Bay City for criminal acts in connection with the failure of the First National bank of East Saginaw. He is charged with making false returns to the comptroller and with with other fraudulent work. He gave bail in the sum of $5,000 and his case was set for the October term. Mr. Judd is one of the most prominent young men in the city.

Pathetic Scenes.

Natchez, Miss., April 7.—One of the most pathetic scenes since the flood took place yesterday was when thirty negroes drifting on a raft were landed here, having been floating for four days with nothing to eat. No sooner had they reached land than they fell down and worshipped it. A colored baptist preacher being near by offered his services and began at once to baptise the whole crowd. They refused to eat or leave the river bank until baptism was completed. They said the flood was a visitation of Divine wrath.

HARD AT IT.

Paved Streets Receiving a Thorough Cleaning.

Sweepers Were Operated Six Hours Last Night—Large Force of Men Will be Kept at Work Constantly.

Street cleaning has commenced in earnest. Last night the sweepers were kept going six hours and were not run in until after midnight. The paved streets already cleaned are Fairfield avenue, DeWald, Pontiac, West Williams, Calhoun, Harrison, Barr, Clinton, Columbia, Main and East Washington streets. Some of the thoroughfares needed cleaning badly, others were not so much in need of it. The unpaved streets will next receive attention, and then the alleys. Some of the alleys are in a condition that warm weather will by no means improve.

WILL DEMAND

That the Executive Control of the National Educational

Association be Placed in the Hands of the Women—Is Now Under Exclusive Control of Men.

Denver, Col., May 7.—The Denver teachers' club is taking steps to place the executive control of the national educational association at the next annual meeting, in the hands of women. A manifesto will be issued shortly to the teachers of the United States stating that while 90 per cent. of the teachers of the United States are women, who labor industriously to educate the young, the majority of this great teachers' association—the National Educational association—has been and is almost exclusively in the hands of certain men who have had little or no actual experience in the work of training the minds of this 90 per cent. of our future citizens.

THE CREATION.

An Oratorio That Will Soon Delight the Music-Loving Public.

The "Creation," an oratorio of profound depth and excellence, will be produced by the Apollo society at the Masonic Temple on Thursday, May 20th. It will be an opportunity for the music-loving people of Fort Wayne to hear something really grand, for more than one hundred voices will assist in the rendition. The solo parts will be taken by Miss Clara Zollars and Messrs. Frank E. Stouder and Frank Safford.

The Apollo Musical society of Fort Wayne was organized in January of the present year, its object being to unite and bring together into one good society all those having more or less vocal talent, so that, under a good, capable instructor, they could improve their musical education at a nominal cost, and be able to present to the public occasionally one of the famous oratorios or a good miscellaneous concert. The society meets one night a week for rehearsal. It brings a hundred or so of our young people together to rehearse music of a refined and elevating character. They will not appear before the public more than three times a year, and as considerable expense is incurred on such occasions, this home society is deserving of support and encouragement. The coming event will be the last presentation of the society this season, as the organization will adjourn until October.

SCIENCE OF HOME-MAKING.

Why so Successfully Studied and Practiced in California.

In selecting a place in which to build up a country home there are three prime considerations: The original cost; the amount of money and time required to make the place productive, and most of all, the comforts to be easily had when fairly established—not finished, for a home in its wider sense is rarely finished.

In all of these particulars California justly claims pre-eminence. Especially is this true when small, homey-homes are considered, homes in which comfortable and independent lives may be spent. Gardening and horticulture in its various branches afford the best opportunities for such homes, and these must in the end be largely the pursuits in the state.

At the present ruling price of land less money will procure land enough to support a family well than in any other part of our vast country. There are in the state thousands of families earning a good living, with all the necessaries and many of the luxuries of life, and with something laid by each year for a "rainy day," on tracts of from ten to twenty acres. Many thousand acres of such land, still unoccupied or poorly farmed, are now on the market at very reasonable prices, say from twenty to one hundred dollars per acre according to location and surroundings.

So fertile is the soil and so genial the climate that a place becomes productive in an almost incredibly short space of time. Something may be realized even the first year, while the the third or fourth year will bring an income,—an income to be increased from year to year for many years. This result, of course, presupposes intelligence and industry, but these are necessary to success in any undertaking.

But it is in the third consideration that the great advantages of California become most apparent. A soil quick and fertile responding generously to good culture, a climate where cyclones and tornadoes are unknown and where sunstrokes and rabies never occur, and where for nearly the whole year it is a luxury to live in the open air,—the finest climate in the world in which to rear a family of healthy children,—these are certainly great attractions.

During most of the year the table may be supplied with fresh fruits and vegetables, all of home raising. The fig, the vine, the olive, the peach, the apricot and the nectarine all bear abundantly almost everywhere, while much of the State will produce citrus and other subtropical fruits with but little care. That the necessaries of life can be easily produced goes without the saying and it is undoubtedly true that a family of only moderate means may here easily enjoy those luxuries that only the wealthy can have in other localities.

With reasonably good judgment in selecting the land, and the knowledge that the experience of the last twenty years has made almost common property in regard to what shall be planted and how it shall be cared for, industry and economy, the elements of thrift, can but secure results that must be in the highest degree satisfactory. Send to W. G. Neimyer, General Western Agent, Southern Pacific Co., 238 Clark street, Chicago, for literature description of California.

CATARRH OF THE STOMACH.

A Pleasant, Simple, But Safe and Effectual Cure for It.

Catarrh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloating sensation after eating, accompanied sometimes with sour or watery risings, a formation of gases, causing pressure on the heart and lungs and difficult breathing; headaches, fickle appetite, nervousness and a general played out, languid feeling.

There is often a foul taste in the mouth, coated tongue and if the interior of the stomach could be seen it would show a slimy, inflamed condition.

The cure for this common and obstinate trouble is found in a treatment which causes the food to be readily, thoroughly digested before it has time to ferment and irritate the delicate mucous surfaces of the stomach. To secure a prompt and healthy digestion is the one necessary thing to do and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harlanson the safest and best treatment is to use after each meal a tablet, composed of Diastase, Aseptic Pepsin, a little Nux, Golden Seal and fruit acids. These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets and not being a patent medicine can be used with perfect safety and assurance that healthy appetite and thorough digestion will follow their regular use after meals.

Mr. N. J. Booher, of 2710 Dearborn St., Chicago, Ill., writes: "Catarrh is a local condition resulting from a neglected cold in the head, whereby the lining membrane of the nose becomes inflamed and the poisonous discharge therefrom passing backward into the throat reaches the stomach, thus producing catarrh of the stomach. Medical authorities prescribed for me for three years for catarrh of stomach without cure, but to-day I am the happiest of men after using only one box of Stuart's Dyspepsia Tablets. I cannot find appropriate words to express my good feeling. I have found flesh, appetite and sound rest from their use."

Stuart's Dyspepsia Tablets is the safest preparation as well as the simplest and most convenient remedy for any form of indigestion, catarrh of stomach, biliousness, sour stomach, heartburn and bloating after meals.

Send for little book, mailed free, on stomach troubles, by addressing Stuart Co., Marshall, Mich. The tablets can be found at all drug stores.

YOUR CAR, PET!

Don't always ask your friend how his health is. It sometimes makes him tired. For a change ask him how his **CARPETS** are. Ask him where he got them. If he bought them from **US** well and good. They're all right. Congratulate him and ask no further questions. If he bought them elsewhere don't roast him, (it's just possible they may be good,) but speak to him calmly and try to persuade him that the Indiana Furniture Co. Carpets could not be poor, or even doubtful. They're a sure thing at a fair price, which means they are as cheap as can be bought and wear well.

Even baby understands that it is not right that mother should be always sickly, nervous, fretful and cross. Baby wonders what is the matter. Baby would willingly help if he could. It lies with the woman herself to help herself. No one else can do it. She can help herself if she will. If a woman will take proper care of her womanly self; if she will use the right remedy for weakness and disease of the organs that bear the burdens of maternity, she will soon be healthy, vigorous and amiable. She will be able to help baby, instead of leaving baby to try and help her.

A wonderful remedy for weakness and disease of the organs that make wifehood and motherhood possible is found in Dr. Pierce's Favorite Prescription. It acts directly on these organs. It makes them strong and healthy. It has transformed thousands of suffering, pain-racked women into healthy, happy wives and mothers. It allays inflammation, soothes pain, and steadies and invigorates the nerves. It prepares for wifehood and motherhood. It insures inherently healthy children. All good druggists sell it. There is nothing "just the same" or "just as good." The druggist who tells you there is, is either mistaken or dishonest.

Mrs. Joseph Simmons, of Highgreen, Grant Co., Wis., writes: "Inclosed find 31 cents in postage stamps, for which please send me the 'Medical Adviser' in cloth cover. I have used your Dr. Pierce's Favorite Prescription, and his 'Golden Medical Discovery' and 'Pellets' and have received a great deal of benefit from them."

When a story writer puts in a doctor he is always said to "Look wise." Over one million people have looked wise and acted wisely. They have bought Dr. Pierce's Common Sense Medical Adviser. Of these wise folks, 680,000 of them paid $1.50 a copy for the book. It was cheap at that. It is a book of 1008 pages, with 300 illustrations. Think of that. A medical book too. Everybody knows how expensive a medical education is. Now there is a great edition of this book, that is being given away. You pay the cost of mailing, that's all. You send 21 one-cent stamps for the book in strong manilla covers. If you desire a fine embossed French cloth cover, send 31 one-cent stamps. Address, World's Dispensary Medical Association, Buffalo, N. Y.

Ask your Druggist for a generous 10 CENT TRIAL SIZE.

FEDERATION.

The Brotherhood of Firemen Votes on the Proposition.

The Belief Prevails That When All the Returns Are In It Will be Found That the Proposition Carried.

The lodges of the Brotherhood of Locomotive Firemen throughout the country voted the first of this month on the proposition to affiliate with the American Federation of Labor. The proposition was before the biennial convention at Galveston last summer and was strongly urged by Grand Master Sargent and President Gompers, of the Federation, who was present by invitation. The impression is that the returns will show that the proposition has been carried by more than the necessary two-thirds of the lodges. The affiliation is for fraternal and financial assistance and cannot involve the firemen in a strike or other radical action not authorized by their own laws.

MORE OF BRICE'S SCHEMES.

Yesterday's Indianapolis Journal contained the following: "The statement that the Brice syndicate had secured control of the reorganized Detroit and Mackinaw railway, which extends from Bay City to Alpena, 130 miles, and has under construction the extension to Mackinaw, meets with a vigorous denial. The report goes on to say that the Detroit and Mackinaw was to be connected with the Cincinnati, Jackson and Mackinaw, which is a Brice syndicate line, by building from Jackson via Lansing to Bay City. One who knows the situation fully says that the Detroit and Mackinaw does not belong to the Brice combination, but to J. P. Morgan & Co. and is not in the market. It is true, however, that Mr. Brice is gathering a few Michigan railroads into his fold, and the Cincinnati, Jackson and Mackinaw is one of them. This road runs between Cincinnati and Jackson and from Addison Junction to Allegan. It is understood that Mr. Brice intends to extend his line to Alpena, or possibly to Muskegon or Grand Haven, either of which would give him excellent lake facilities. It is said that Brice made the purchase of the Cincinnati, Jackson and Mackinaw to prevent it from falling into the hands of the Cincinnati, Hamilton and Dayton, which had its eye on the prize, evidently regarding it as a valuable conjunction. Brice now owns the Lake Erie and Western and the Lima Northern, a comparatively new road, which runs between Akron and Cleveland. It is evident that the Hon. Calvin Brice, who won his spurs in the railroad arena when he paralleled the Lake Shore between Chicago and Buffalo with the Nickel Plate, and forced Vanderbilt to buy it at a figure which made him several times a millionaire, is laying his ropes to become one of the great big railroad kings. W. E. Hackedorn, general solicitor of the Brice lines, left for Ohio yesterday to meet the Brice people, who are on a western trip."

BRIEF MENTION.

Nickel Plate Engineer J. E. Quinn, is enjoying a few days rest.

Blacksmith Samuel Dunlar, of the Pittsburg, is sick and off duty.

Nickel Plate engine 8 has gone to the Stony Island shops for light repairs.

C. S. Crane, general passenger agent of the Wabash, was in the city last evening.

James Hutchison, formerly a conductor on the G. R. and I., is visiting here. He is now located at Detroit.

Pennsylvania coach No. 79 was turned out of the shops last evening. It has been vestibuled and re-varnished.

The Nickel Plate has established an office at Salt Lake City, with S. K. Hooper as traveling freight and passenger agent.

The Baltimore and Ohio Southwestern has fitted up a new summer resort at Charlestown, seventeen miles from Louisville.

General Superintendent H. L. Magee, of the Wabash, spent the night in this city, leaving on the early morning train for Toledo.

The Erie people have completed the branch to Bass lake, which is to be made a pleasure resort for people in the northeastern part of the state.

The child of Nickel Plate Brakeman C. Bigelow, which had been very sick, has recovered and that gentlemen resumed his train duties today.

General Passenger Agent E. A. Ford, of the Pennsylvania company, passed through the city last evening on the limited, bound from Chicago to Pittsburg.

Mr. and Mrs. P. F. Cunningham will go to Logansport tonight to spend a few days with relatives. Mr. Cunningham is employed in the Wabash shops in this city.

Thomas Beals, who had been off duty several days on account of the death of his daughter, Mrs. Frank Archer, took his place in the Pittsburg round house this morning.

Joseph Grothaus, of the Pittsburg blacksmith shop, is off duty to have an injured eye treated. Yesterday a hot scale of iron got in the optic, burning it in a most painful manner.

Dr. J. M. Kells, of Columbus, Ohio, is here on business connected with the Voluntary Relief association, of which he is the representative on the Columbus branch of the lines.

The statement that the Bass foundry would be closed all this week was erroneous. Every department resumed work this morning and will continue in operation indefinitely.

C. J. Broughton, formerly special agent of the Central Passenger association, has been appointed emigration agent for the Dominion of Canada, has jurisdiction to extend over Illinois, Indiana and Ohio.

F. Thompson, C. Forks, Charles Bender, H. B. Phillips and Charles Hess have been temporarily transferred from the lumber yards to the store department of the Pittsburg, under Foreman Martin Kramer.

The Grand Rapids has issued posters advertising the state encampment at Richmond, May 12 and 13. Tickets will be on sale May 10 to 12 inclusive and the fare has been placed at $1.85 for the round trip.

Patrick Oates has been in the service of the New York Central for thirty-seven years, and has lost but two days in that time. For the last twenty-three years he has been flagman at a crossing in Lockport, N. Y.

The Grand Rapids and Indiana road has put on two gravel trains, which will get gravel at the Kalamazoo pits. The company is also in receipt of 500 tons of new steel rails, which will be laid between Kendallville and Rome City this month.

G. P. Lysinger has returned from Blanchester, Ohio, where he installed an electric light plant.

Bill Clerk Hatchway, who has been in the Nickel Plate office at New Haven for some time, has been laid off owing to light work on the road.

A 1,300-light dynamo to Barnesville, Ohio, and a similar machine to Harrisburg, Ill., were among the shipments from the electric works today.

Grand Chief Arthur, of the Brotherhood of Locomotive Engineers, says that in his long connection with that organization he has never known matters to be moving more harmoniously or the divisions more prosperous.

Mrs. J. B. Powell will go to Peru tomorrow to visit her husband, who is a patient in the Wabash railway hospital. Mrs. Michael Hosbach, whose husband is also an employe of the Wabash, will accompany Mrs. Powell.

Indianapolis Journal: "The latest report is that the Pennsylvania company would like to secure control of the Detroit and Eel River should the Wabash lose its hold on the property as a result of the pending litigation."

Rudolph Hilgeman, foreman of Wabash car repairers at this point, was taken violently ill while at work this morning and had to be conveyed home in a hack. He seemed to be suffering with plurisy and was very sick.

G. J. DeVilliss and James Olive, jr., have returned from Ashley, Ind., where they spent a week working for the Wabash company. They resumed their places in the shops in this city this morning. Both are machinists.

General Superintendent A. W. Johnson passed over the Nickel Plate yesterday, his train running as a second section of No. 3. From Bellevue to Chicago Mr. Johnston was accompanied by Superintendent C. D. Gorham. Conductor Denbow had charge of the train.

Train crews, excepting the engineers and firemen, on the Grand Trunk now run from Chicago to Port Huron, a distance of 335 miles, instead of changing passenger train crews at Battle Creek, as heretofore. By the change several train crews are dispensed with.

The Grand Rapids and Indiana company has doubled the number of its lamps around Sylvan lake and as far up as the bridge at the narrows that beautiful body of water is brilliantly illuminated at night. In the circuit there are over three miles of wire and twenty arc lamps.

Gus Reiling, who for seven years had charge of the electric lighting plant at Utica, N. Y., has returned here to reside and work for the Electric corporation. In connection with their notice of Mr. Reiling's resignation the Utica papers published his portrait and gave him very complimentary mention.

Frank Sweet, of Indianapolis, is circulating among his old friends in this city. He is now engaged in the bicycle business, having retired from railroading, and is prospering. Frank was a clerk in the Wabash freight office in this city some years ago. He is a son of Colonel Samuel Sweet, general freight agent of the Lake Erie and Western road.

The Wabash, in connection with the Chicago and Eastern Illinois, has established a fast line between Toledo and Nashville. By this route the traveler can leave Fort Wayne at 6:30 in the evening and arrive in Nashville at 8:30 the next morning, covering the 470 miles in fourteen hours. This is remarkable speed for such a long run.

Conductor and Mrs. P. G. Bequette, of Grand Rapids, Mich., were the guests of that gentleman's mother here last night. They are on route to Los Angeles, where Mr. Bequette will represent the Grand Rapids branch of the Order of Railway Conductors at the international convention. The conductor and his wife formerly resided in this city.

A new press for the San Francisco Examiner was shipped from New York the other day to San Francisco, by the way of the B. and O., the Chicago and North Western and Union Pacific. The B. and O. took it from New York to Chicago in three days, and it reached its destination in the remarkable time of ten days from New York, the distance being 3,406 miles. Ten years ago the average time for such shipments was thirty days.

New Haven News: "L. C. Lindsley, of Continental, Ohio, has succeeded O. E. Palmer as day operator in the Nickel Plate office and J. H. Bradi came home from Latty last Friday morning and that evening resumed his old position as night operator. W. C. Norton, who had the night job here for some time, has been transferred to the office at West Wayne."

There is no improvement in the condition of J. W. Young, who was stricken with paralysis some time ago at Kalamazoo, Mich. In fact his friends have about abandoned hope for his recovery, and would not be surprised to hear of his death at any moment. Mr. Young is superintendent of bridges for the Grand Rapids road. His official headquarters are at Kalamazoo, but his family resides in Allegheny, Pa., which place he calls home.

The Pintsch light is now used by railroads the world over, and at present there are over 85,000 cars equipped with the system in this country and abroad. In order to fully supply the large number of cars with gas, over forty-five Pintsch plants are now in operation in various parts of the country, extending from the Atlantic to the Pacific oceans, and from the lakes to the gulf, and now plants are being constructed as occasion requires.

The Colts Lose an Interesting Game With Wheeling.

Three More Games to be Played With Wheeling—Pitcher Derrick Released—New Castle Loses a Game.

	WON.	LOST.	PER CENT.
New Castle	5	1	.833
Mansfield	4	3	.571
Dayton	4	3	.571
Fort Wayne	3	3	.500
Toledo	2	4	.429
Wheeling	3	4	.429
Springfield	2	4	.333
Youngstown	2	5	.286

Fort Wayne met her third consecutive defeat at Lakeside park yesterday in a hotly contested game with Wheeling. Umpire Manlove, who was to officiate, did not arrive in time, and Christ Weller, a sub-umpire, was called upon and did admirable work. Derrick was placed in the box for the locals and proved an easy mark for the Nailers and he was succeeded by Severs in the second inning, who proved but little more effective. Campbell, a left-handed gentleman, twirled for the Wheeling nine and he proved a great success, the locals only touching him for three hits. The game at the beginning of the ninth inning was a tie—three runs each. In the ninth Coyle, for Wheeling, went out at first. Messitt was hit by a pitched ball and went to first. Campbell went out at second. Curtis singled. McGinnis hit for two bases and Taylor hit to first, scoring three runs. The Colts were given a goose egg and then the game was over.

The following is the score:

Fort Wayne...0 0 1 0 1 0 1 0 0—3
Wheeling......2 0 0 0 0 0 1 0 3—6

Hits—Fort Wayne, 3; Wheeling, 14. Errors—Fort Wayne, 1; Wheeling, 4. Earned runs—Fort Wayne, 1; Wheeling, 3. Two-base hits—Messitt, McGinnis. Three-base hit—Morrissey. Stolen base—Kihm. First base on balls—Off Derrick, 1; off Severs, 1; off Campbell, 2. Hit by pitched ball—By Severs, 1. Struck out—By Severs, 3; by Campbell 4. Wild pitches—Campbell, 1. Passed ball—T. Campbell, 1. Double plays—Cooke to Morrissey to Kihm; Haggerty to Morrissey to Kihm. Umpire—Weller. Time of game—2:00.

INTER-STATE GAMES YESTERDAY.

DAYTON, Ohio, May 7.—The champions met their first defeat yesterday. Well bunched hits did the work. The Newcastles made a sensational gain in the last inning. The score:

Dayton.......2 5 0 1 1 0 0 1 0—10
New Castle..0 0 0 1 0 1 0 0 5— 7

Batteries—Ebig and Wood; Smith, Hewitt and Donovan. Base Hits—Dayton, 11; New Castle, 8. Errors—Dayton, 1; New Castle, 4.

SPRINGFIELD, Ohio, May 7.—The hit over the fence for a home run by Werrick, of Mansfield, gave the visitors the victory in the eleventh inning here yesterday. The Springfields played a good fielding game, but lacked in team work. The score:

Springfield.0 1 3 1 0 0 0 0 1 0 0—5
Mansfield...1 0 2 0 0 1 0 0 1 0 1—6

Batteries—Whitridge and Williams, Ell and Lynch. Base Hits—Springfield, 10; Mansfield, 8. Errors—Springfield, 2; Mansfield, 5.

TOLEDO, Ohio, May 7.—The Youngstowns lost their first game of the series yesterday. Sayers was knocked out of the box in the first inning, and although Schelble held the Toledos down to three hits, too much ground had been lost by the visitors. The score:

Toledo.........1 0 0 0 0 0 0 0 1—4
Youngstown...0 0 0 0 1 1 0 0 0—2

Batteries—Keenan and Arthur; Sayers, Schelble and Zinram. Base Hits—Toledo, 4; Youngstown, 8. Errors—Toledo, 4; Youngstown, 1.

RESULTS YESTERDAY.

National League—Boston, 5; Washington, 1. Cleveland, 5; Chicago, 1. New York, 9; Brooklyn, 9—game called at the end of the tenth inning. Pittsburg, 3; Cincinnati, 1. Baltimore, 7; Philadelphia, 5. Louisville—St. Louis—rain.

Western League—Milwaukee, 6; Minneapolis, 5. St. Paul, 6; Kansas City, 4. Detroit, 11. Columbus, 3. Grand Rapids, 14; Indianapolis, 9.

NOTES.

Wayne will be in the box today.

Grand Rapids won their first game yesterday.

Captain Cooke released Pitcher Derrick yesterday.

King will be on the bench today, Houser taking his place.

Haggerty, Morrissey and Kihm made the hits for the locals yesterday.

One of the Youngstown papers kicks on Umpire Manlove. The other says he's all right.

The line-up for today's game will be like this: Haggerty, 3b; Morrissey, 2b; Robinson, c f; McKevitt, r f; Campbell, c; Cooke, ss; Kihm, 1b; Houser, l f; Wayne, p.

With the kind of games being played by the Inter-State teams this season, a good attendance of ladies is assured. They are clean and devoid of lawlessness of any kind.—Toledo Commercial.

WHERE MINES GROW.

Of late years silver production has outstripped gold. A different condition of affairs exists in the now renowned Kootenai country. While silver predominates in some localities there, yet the streams have placer gold in paying quantities, and at Rossland, in the Trail district, gold is king. Copper and iron are found and coal also, at some places.

The recent development of this region and of that contiguous thereto in Washington, has been phenomenal. Mines of exceeding richness, from the grass roots down, have been opened all over the mountains; railroads have been built into and through the country; steamboat lines on the lakes and rivers have been increased and expanded, and towns sprung up as if by magic.

The country is good for rich or poor, the climate is mild and bracing, and the scenery grand beyond description.

Among the prominent mining camps are Rossland, Nelson, Ainsworth, Kaslo, Slocan, Salmon River, Cariboo and Deer Park.

The mountains are well timbered, rendering fuel cheap, and living expenses are reasonable.

Smelters are located at several points contiguous to the mines.

The year 1896 witnessed a wonderful emigration to the Kootenai country, and it will be eclipsed by the record of 1897.

The direct route to this land of gold, from the east, is via the Northern Pacific railway to Spokane, Wash., and Spokane Falls and Northern railway from that point north.

West of the Rossland region lies the Boundary Creek country—practically a continuation of the former—of very rich promise but as yet of meagre development. South of the Boundary line, in Washington, is the "Reservation" country, a land also of promise.

A full description of the Kootenai region can be obtained by sending to Chas. S. Fee, Gen. Pass. Agent, N. P. Ry., St. Paul, Minn., for their new Kootenai Folder and elaborate relief map. This is the best map published of the Kootenai. m20-tf
